

## VISION

Next Ministries is called by God to make disciples for Jesus Christ, equip them to do the work of ministry, and send them out into the world.

I understand that Next Ministries has invited me to join this church plant as a member of the Launch Team to help build a community of faith that seeks to live out The Great Commission to "go and make disciples," as commanded by Jesus Christ in Matthew 28:16-20.

I am willing to commit to the vision of this new church. I recognize if I am already committed to a local church that God is calling me to pull away for a temporary season of my life to adopt Next Ministries as my local church. This includes:

- My willingness to give generously of my creativity, time, gifts, and income to fulfill the vision of Next Ministries.
- ✤ Participating in Launch Team meetings.
- Helping or serving this new church in a way that suits my gifts and skills.
- Attending worship services of Next Ministries and inviting others to join in the worship services and other opportunities to connect with the church community.

While I understand, I will need to participate in pre-planning meetings prior to the launch of weekly worship services, I am committing to be an active part of the Next Ministries church plant for 6-12 months from the day of the launch of weekly worship services.

In awareness of and submission to these expectations, I commit myself to the Next Ministries Launch Team.
